

Electrical Connection

BM1: one cable inlet for PG 13,5 Cable Gland

BM2: one cable inlet for 1/2" NPT Cable Gland

BM5: one cable inlet for M20 x 1,5 Cable Gland

Operating Head Type

P11 - Plain plunger

P92 - Multidirectional nylon actuator with stainless steel spring

P93 - Stainless steel spring multidirectional actuator

Conformity /  (N.C. contact with positive opening operation)
Max actuation speed [m/s]
Min. force [N] or torque [Nm]: actuation / positive opening operation
